

Liebert GXT MT+ 3 kVA G2 ES

Product Overview

Power Rating	3000 VA / 2400 W
--------------	------------------

Input Voltage	230 VAC
---------------	---------

Output Voltage	230 VAC
----------------	---------

Interfaces/Ports

Interface Options	USB, RS232
-------------------	------------

Protocols	SNMP, Serial
-----------	--------------

Control Panel	LCD
---------------	-----

Operational Conditions

Operating Temperature	0°C to 40°C
-----------------------	-------------

Miscellaneous

Listings	CE
----------	----

Topology	Online
----------	--------
